

# COMCORD - BRIDGE

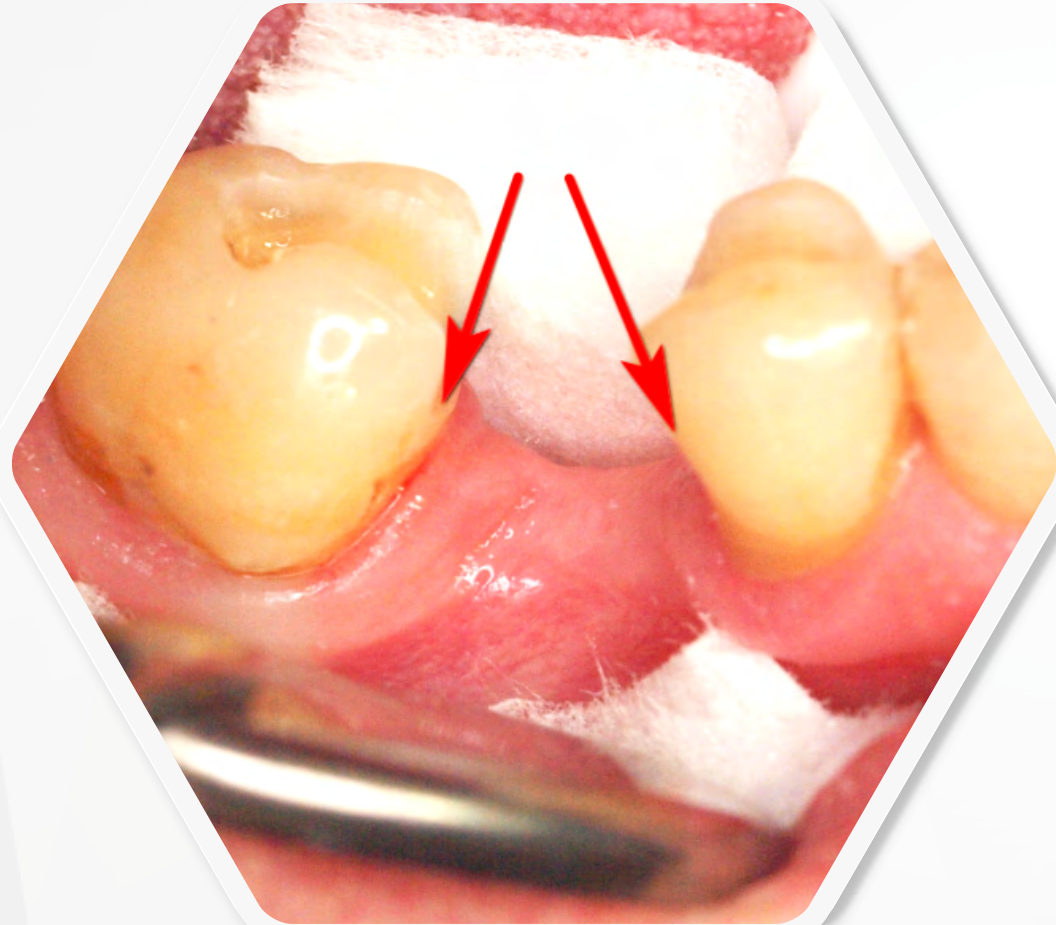

A missing tooth 36.

Preparations on the adjacent teeth.

The restoration cannot be done using an indirect method as it would require a very extensive (and unnecessary) preparation of the adjacent teeth..

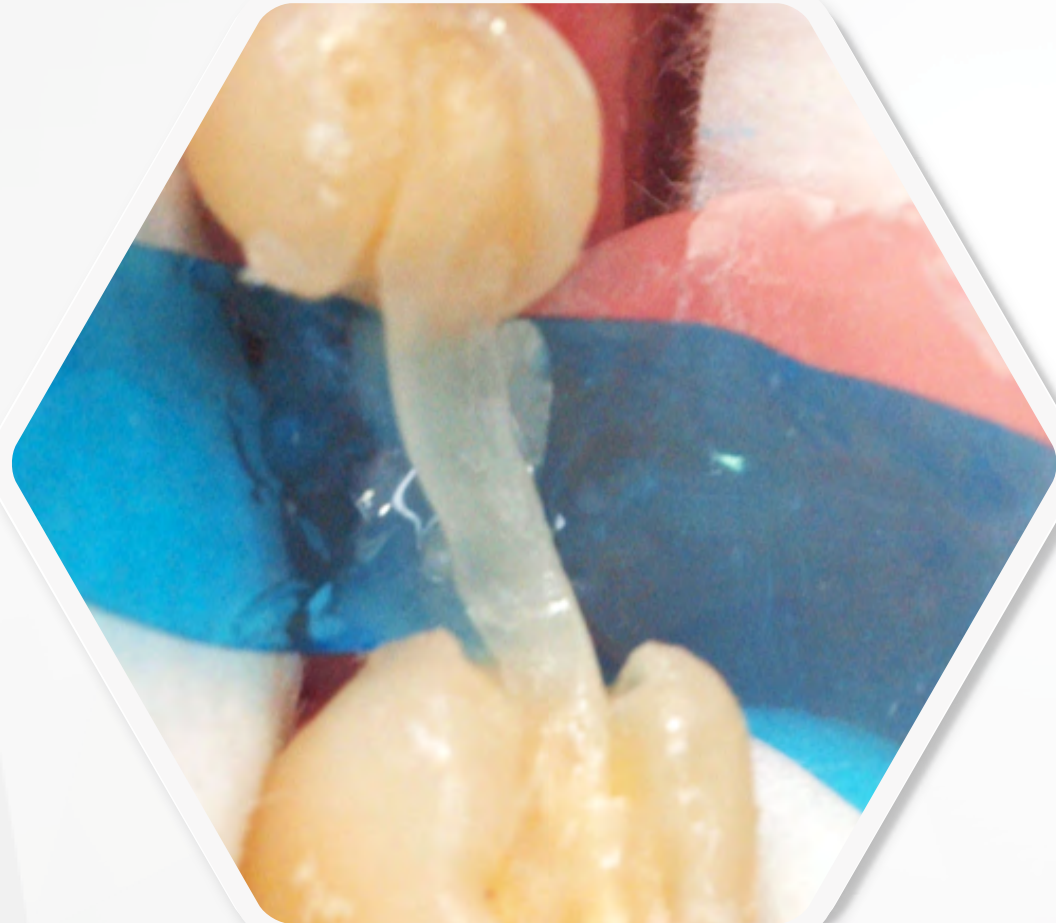

# Comcord

D L S DENTAL LIFE  
SCIENCES

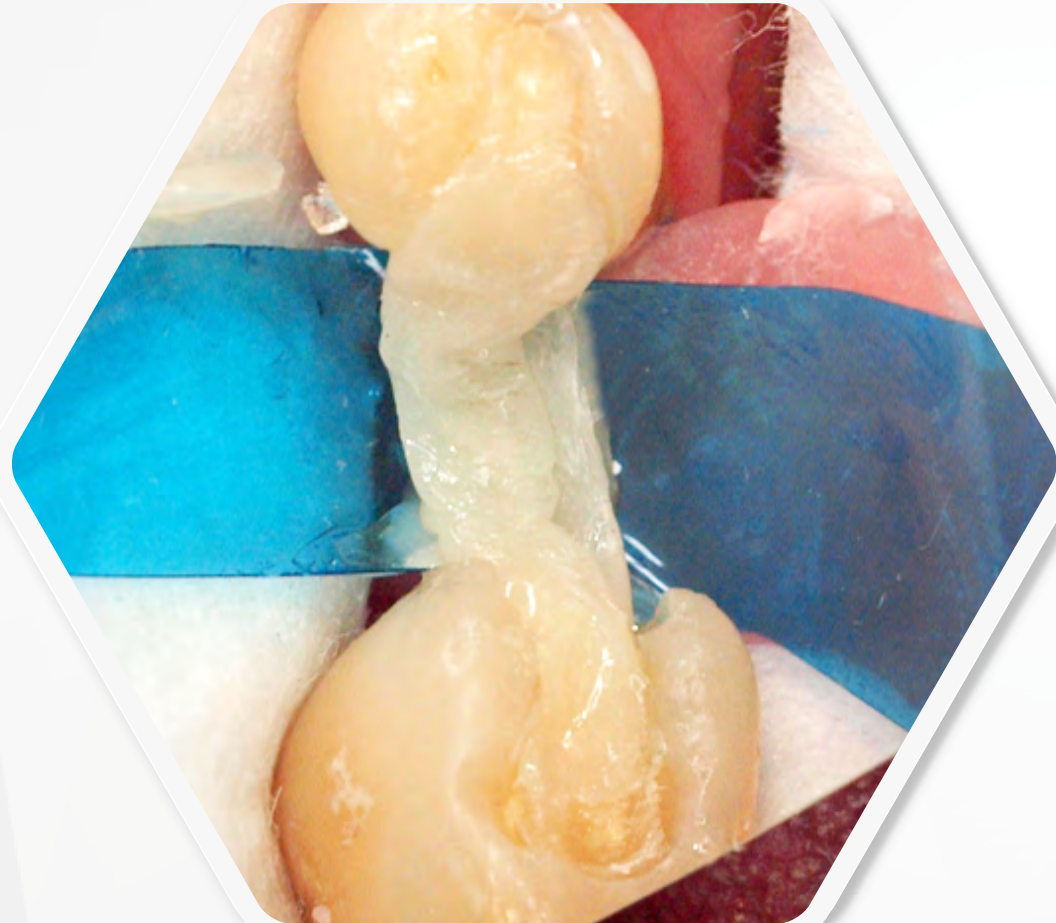

Tooth surfaces isolation.

# Comcord

The first COMCORD stripe in place.

# Comcord

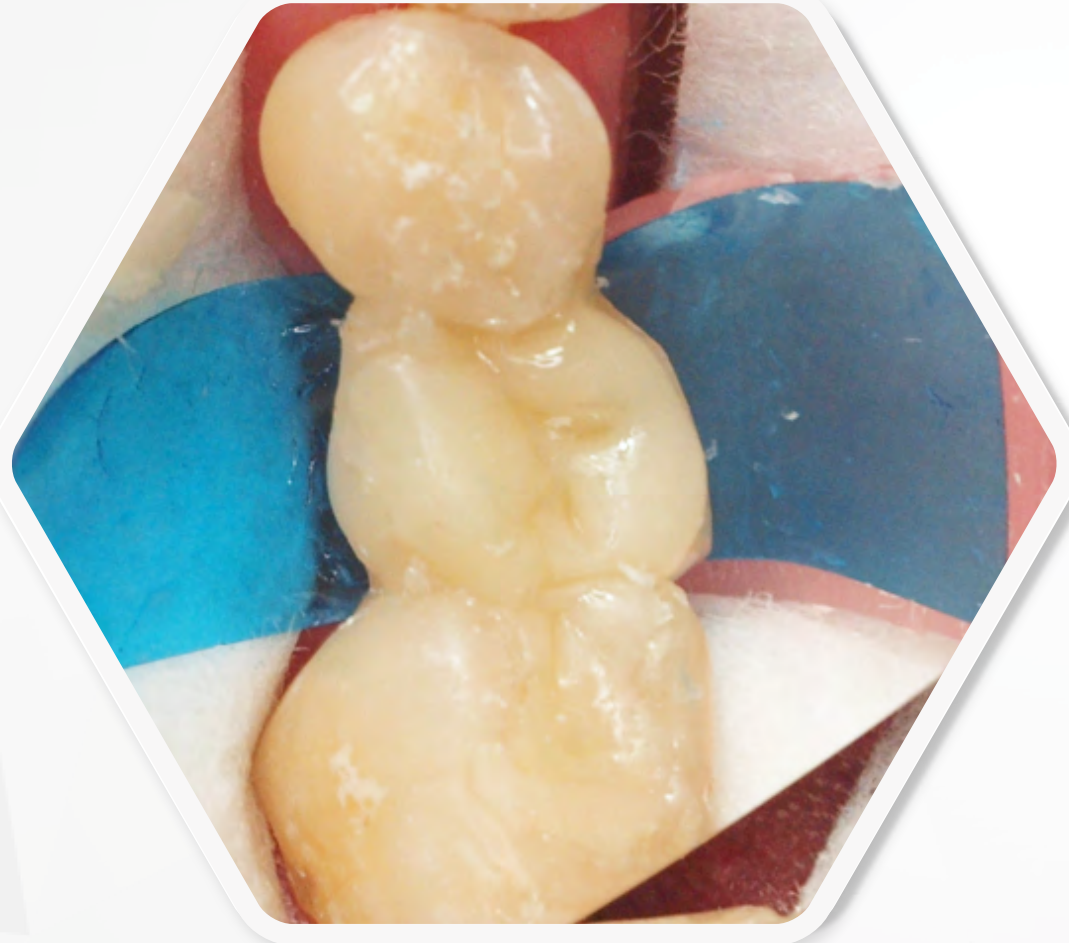

The second COMCORD stripe  
in place.

The bridge during modeling  
(vestibular view).

# Comcord

The bridge during modeling (occlusal view).
